The Missionary Christmas Tree is up and ready for your participation. Please prayerfully consider this special opportunity to give to the families we support.

Want to be an encouragement to our middle school and high school students? There are still a couple of envelopes left on the bulletin board at the information center. Inside you will find a name of one of our students. Please take time to pray for the student on the card, write them an encouraging note, and stick it in the mail. Want to take it a step further? Encourage that student throughout the school year with notes, a small gift, or attend their extracurricular activities!
