What is Truth?

John 18:33-38

Perception is reality.

I. THE TRUTH DILEMMA.

- **“Truthiness”** – *Facts don’t matter.*
- **“Wikiality”** – *Reality is determined by majority vote.*

II. WHAT IS TRUTH?

A Quadrilateral of Priorities

- 1. Conversionism** – An individual's life must be transformed (converted).
- 2. Activism** – We must not be passive about the Gospel.
- 3. Biblicism** – High regard for the Bible.
- 4. Crucicentrism** – Emphasis on the sacrifice and atonement of Christ for our sin.

III. TRUTH IS REVEALED, NOT DISCOVERED.

Rom. 10:17 – “So faith comes by hearing, and hearing by the word of Christ.”

“Suprarational” – *God is larger than our reason.*
